

DANIEL SHALEM - FULL STACK DEVELOPER

054-5882578 | dshctr1993@gmail.com | [Github](#) | [LinkedIn](#) | [Portfolio](#)

Highly motivated Full-Stack Developer with a proven track record of building **scalable, user-centric web applications** that deliver results. Adept in crafting **intuitive UIs** and **robust backends** using modern technologies like **JavaScript (ES6+), TypeScript, Next.js, Nest.js, and MongoDB**. I excel in both **independent** and **collaborative** environments, consistently exceeding expectations with my **problem-solving skills** and commitment to **high-quality code**.

TECH SKILLS

- **Languages:** JavaScript (ES6+), TypeScript, Python3, C#, CSS.
- **Front-End Development:** Adept in crafting user-friendly and interactive interfaces using modern frameworks like Vue.js, React.js, and Next.js, with a strong foundation in JavaScript and TypeScript.
- **Back-End Development:** Skilled in building scalable RESTful APIs with Node.js.
- **Cloud Technologies:** Proficient in AWS (EC2, S3) and experience with Google Cloud Platform.
- **Version Control & Collaboration:** Leveraged Git and Github to streamline code collaboration.
- **Databases:** Relational (MySQL) and Non-Relational (MongoDB) database management experience.

PROFESSIONAL EXPERIENCE

Backend Developer, *Sellme* (2023 - Present)

- Architected and maintained scalable backend APIs using Nest.js, TypeScript, and AWS.
- Implemented API integrations with third-party services.
- Optimized backend performance and scalability to manage growing user base.
- Worked with Git for version control and collaboration with the development team.
- Coordinated with the frontend team to test end-to-end application flow.

Coding Lecturer, *SVCollege* (2023 - 2024)

- Designed and led a comprehensive Full-Stack development course (6 months). Curriculum included MERN stack technologies (JS, TS, React, Express, Redux, React Native, CSS, HTML5).

Freelance Developer (2022 - Present)

- Developed a captivating [landing page for a therapist](#), significantly increasing client engagement.
- Built [Stocksplan](#), a user-friendly web application that empowers users with streamlined stock portfolio management, enhancing client efficiency.

EDUCATION

- **Full-Stack Bootcamp, Coding Academy (2022):** Completed a 640-hour intensive equipping me with modern web development skills.
- **M.A. in International Relations, University of Haifa, Graduated with Honors (2020-2022):** Sharpened analytical and communication skills.
- **B.S.W in Social Work, The Max Stern Yezreel Valley College (2017-2020):** Cultivated strong interpersonal and problem-solving abilities.
